Program Overview

Background

In response to the sudden decline in economic output following the Coronavirus disease 2019 (COVID-19) outbreak, Congress signed the Coronavirus Aid, Relief, and Economic Security (CARES) Act into law on March 27, 2020. The CARES Act established the Coronavirus Relief Fund (CRF), which provides \$150 billion in direct assistance for domestic governments, territories, and tribal areas to disburse in accordance with its provisions.

To ensure the expeditious processing of apportioned funds from the CARES Act, the Government of Puerto Rico established the Disbursement Oversight Committee, consisting of a representative of the Secretary of the Department of the Treasury, a representative of the Director of the Office of Management and Budget (OGP), and a representative of the Puerto Rico Fiscal Agency and Financial Advisory Authority (AAFAF).

Program Description

On May 15, 2020, Governor Wanda Vázquez Garced issued Executive Order OE-2020-040 establishing Puerto Rico's Strategic Disbursement Plan for the Coronavirus Relief Fund (CRF) under the CARES Act. The plan lays out 16 distinct programs that address both government needs (mainly associated with attending to the public health emergency and continuing government operations) and those of the private sector, which has been severely affected by interruption of operations.

On June 18, 2020, Governor Wanda Vázquez Garced announced a new program, Technology Solutions for College-bound Students (Program), to be funded from the CRF Reserve that was initially identified in the Strategic Disbursement Plan. This Program makes up to \$50 million in immediate CRF funds available to ensure that 2020 high school graduates who are enrolled to begin a postsecondary two- or four-year degree program during 2020 will have access to the technology and connectivity needed to participate in distance learning programs.

This Program will be implemented in accordance with applicable federal regulations. It will be conducted in partnership with local technology and connectivity vendors from whom eligible students may purchase devices and services needed to engage in distance learning resulting from the COVID-19 public health emergency. Each eligible student will be permitted up to a maximum expenditure of \$1,000.

Disbursement of Program funds will be subject to the strictest standards to ensure compliance with federal regulations and best practices. Therefore, each request for disbursement will be duly documented and subject to control and audit.

Points of Contact

The Program will be supervised by the Disbursement Oversight Committee and administered by the Department of the Treasury of Puerto Rico.

Eligibility Criteria

To participate in this Program, a student must meet the following eligibility criteria:

- Be a resident of Puerto Rico who, in 2020:
 - graduated from a public, private, charter, or alternative high school in Puerto Rico, or
 - satisfied all high school completion requirements in an approved equivalency program or home school;
- Provide documentation of 2020 high school completion (e.g., diploma or equivalent certification);
- Be enrolled at an accredited post-secondary institution for a term that begins in 2020, pursuing a two-year, four-year, or qualifying degree;
- Provide documentation of college or university enrollment (e.g., orientation letter, registration confirmation, class schedule, etc.), confirming their status as a 2020 first year undergraduate student pursuing a two-year, four-year, or qualifying degree;
- Provide proof of identity with a photo ID, such as a student ID, driver's license, or passport;
- Attest that the funds are necessary due to a partial or complete transition to distance learning by the post-secondary institution as a result of COVID-19;
and
- Attest that the student does not otherwise have the necessary equipment or internet access available to participate in required distance learning.

Other CRF Programs

In addition to the Program detailed above, the Governor allocated funds for additional programs to address both government needs (mainly associated with attending to the public health emergency and continuing government operations) and those of the private sector, which has been severely affected by interruption of operations. Please visit <http://www.aafaf.pr.gov/covid-19-resource-center.html> for additional information about these programs.

Allowable Expenditures

Allowable transactions under this Program must meet the following requirements:

- Purchase of eligible computing devices and/or connectivity plans that will be used for distance learning:
 - eligible devices include laptop computers, desktop computers, tablet computers, and devices needed for connectivity, such as a mobile wireless hotspot device (MiFi) or satellite antenna;
 - eligible connectivity plans include service that enables student connectivity for the purpose of distance learning for a period of time reasonably anticipated to be impacted by the continuing effect of the COVID-19 public health emergency and no greater than 12 months in duration;
- Purchase made from participating Program vendors between July 27, 2020 and October 31, 2020;
- Purchases up to a limit of \$1,000 per student; any balance due above \$1,000 must be paid by student at time of purchase.

December 1, 2020 – April 30, 2021	The Program Audits Use of Funds Compliance and Recovery
May 1, 2021	Program Close

Application

Applications will be accepted from students through two channels – a manual option for students who cannot access the Internet and an online option for students who can access the Internet.

The online option will consist of an electronic form using the SURI Program administered by the Puerto Rico Department of the Treasury. The manual option will be offered via telephone and/or postal mail. Student information received on manual applications will also be entered into the SURI form/database for tracking. All Applicants must submit documentation of high school completion and college or university enrollment, in accordance with the Eligibility Criteria outlined above.

Upon submission, Applicants will receive a confirmation via electronic mail or postal mail. More information on forms, documents, and eligibility can be found on the web at <http://www.aafaf.pr.gov/covid-19-resource-center.html>.

It is estimated that the Program will open for online applications around the week of August 3, 2020 and will remain open until September 4, 2020. All submissions will be accepted on a first come first served basis and evaluated on a rolling basis in accordance with criteria set forth by the Program.

Eligibility Determination and Student Purchases

Applicant will certify eligibility with terms and conditions of the Program at the moment of submitting an application, manually or through the SURI system. For students who are under 21 years of age, a parent or guardian's signature will also be required. Upon verification of the Applicant's eligibility, the Applicant will receive a voucher by electronic mail or postal mail with additional instructions for completing eligible purchases under the Program.

A list of Program-approved vendors will be made available by August 6, 2020. Students may make eligible purchases directly from their chosen Program vendor(s), following the application and validation process described above, through October 31, 2020.

Before completing a sale transaction under this Program, vendor must verify the student's identity and eligibility to participate in this Program, according to the Eligibility Criteria stated above. For students who are under 21 years of age, vendor may require a parent or guardian to sign any customer agreements. Approved Program vendors will have access to an online portal to check the balance available on the student's voucher and record the eligible purchases made by the student through the Program.

Vendor Funding

Participating vendors who complete voucher transactions with eligible students through the Program will be required to certify and submit monthly financial reports via the SURI portal in order to receive reimbursement for the students' purchases.

Vendors must also establish a vendor account with PRIFAS and provide bank account information in order to receive payment by electronic funds transfer.

Compliance

Participating Program vendors will be required to submit a comprehensive financial reconciliation report on November 30, 2020, detailing the use of Program funds throughout the duration of the Program. Program vendors may additionally be required, upon request, to show proof of transactions and submit other required documentation.

The Disbursement Oversight Committee will receive a final report of vendor activity and disbursement of funds.

Participating Program vendors will also be required to retain evidence of eligible transactions for a period of five (5) years. Furthermore, by accepting CRF funds the recipient is required to certify proper and legal use of the funds and agrees to cooperate in any audit proceedings requested by The Government of Puerto Rico or other governing entity responsible for the compliant use of funds.

Students who make purchases under the Program that are later found to be ineligible may be required to repay the Program in full for the ineligible purchase amount.
